

Mirus Bio Custom Dispense Inquiry Form

Custom dispense products are considered for orders exceeding 50 ml in a single order. Custom dispenses are only offered for existing products sold by Mirus Bio.

1. For which Mirus Bio product are you seeking a custom dispense? Please include product number (e.g., *TransIT®-LT1*, MIR 2300)

2. Do you currently purchase this product in another format? If yes, list format that you currently use.

3. How do you currently purchase Mirus Bio products?
 - Direct from Mirus Bio
 - VWR International
 - Fisher Scientific
 - International Distributor (please indicate):

4. In what format would you like the product dispensed?
 - a. Dispensed volume (e.g., 100 ml):
 - b. Number of units:

5. Please provide a non-binding annual forecast for purchases of this product. (e.g., *"We forecast three purchases per year of 5 x 100 ml for a total of 1500 ml annually."*)

Please save and email this completed form to customservices@mirusbio.com.

If approved, we will work with you directly or through your distributor to provide a quote for your custom dispense and the associated part number to place a purchase order. Discounts applied to custom dispense products cannot be used in combination with any other quotes, promotions, bulk purchase discounts or past orders.
